I have made arrangements for my child to be picked up by 3:30 pm (entrance off Sonderen) or ride the activity bus.

There is no charge to ride the activity bus. It will run on most intramural/club days. All students riding the activity bus must sign up in the commons before school or during lunch the day they will ride. Activity bus stops are listed on the reverse side of this form. Note that not our entire area is not served by our bus. Please review with your child and determine which stop would be closest to your home.

- All forms are due to the grade level office by the end of lunch the day the activity begins.
- Be cooperative and respectful at all times.
- Participants must arrive at the intramural or club, dressed/prepared by 2:30 pm.
- Any injuries should be reported to the sponsor immediately.
- All school rules apply to after school activities.
- Regular attendance is expected throughout the activity.

PLEASE RETURN SIGNED FORM TO YOUR GRADE LEVEL OFFICE.
