Letter from the Principal

We hope everyone had a wonderful Thanksgiving Holiday, and we are excited to re-focus to finish out the first semester. Please continue to communicate with your child's teachers to ensure he/she is preparing for semester exams. Also, do not hesitate to reach out to us with questions regarding exam schedules, or any other details related to these final days of semester one, and of 2016.

NMS Food Drive

An outstanding effort by our NMS community resulted in raising over 60 boxes of food for local families in need. Thank you NMS Student Council for the work involved in supporting our community.

Thank you NMS Parents

We thank you for all of your continued parent support. Our 7th grade recently attended Lindenwood University for a field trip and our 6th grade will be soon attending Junior Achievement. It is due to the volunteer efforts of so many of our outstanding families that we are able to create these opportunities for our students. The students and staff at NMS thank you for your time and effort.

School Cancellations

School cancellations can be viewed on TV Channels 2, 4, 5, and 30, on Twitter and Facebook, and our District Website at <http://www.fz.k12.mo.us/>.

In the event we have a school day canceled, we will alter our A Day/B Day schedule to adjust so we do not miss days. For example, if Monday is an 'A Day,' and Monday is canceled, then Tuesday will become an 'A Day.'
